RESPONSE TO RESTRICTION REQUIREMENT/AMENDMENT

Commissioner for Patents
Washington, DC 20231

Dear Sir:

In response to the Election/Restriction Requirement mailed January 3 2003, Applicants provisionally elects with traverse Group I, claims 1-10.

According to MPEP 803, "if the search and examination of an entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions." Applicant respectfully requests the examiner to consider a search that encompasses Groups I-V as specified in the restriction requirement. Applicant believes an expanded search to include Groups I-V will not place an undue burden on the examiner.
